BioScript AI Terms of Service
Last Updated: 7/1/2025

Welcome to BioscriptAI! These Terms of Service govern your access to and use of the BioscriptAI platform, website, and related services provided by BioscriptAI. By accessing or using BioscriptAI, you agree to be bound by these Terms.

1. Eligibility

You must be at least 13 years old (or older if required by your country) to use BioscriptAI. By using our Service, you confirm that you meet this requirement and that any registration information you submit is accurate and complete.

2. User Accounts

To use certain features of BioscriptAI, such as saving chat history, you must log in using your Google account. You are responsible for all activity that occurs under your account. Keep your login credentials secure and notify us immediately of any unauthorized access.

3. Use of the Service

BioscriptAI provides AI-generated assistance for R and Python coding in bioinformatics. You agree to use the Service only for lawful purposes and in accordance with these Terms.

You may not:
- Use the Service to generate or distribute malicious, deceptive, or illegal content.
- Attempt to reverse-engineer or extract the underlying models or source code.
- Interfere with or disrupt the integrity or performance of the Service.
- Misrepresent your identity or affiliation.

4. Free and Premium Access

BioscriptAI offers both free and premium plans:

- Free Plan: Limited functionality and access to basic AI models.
- Premium Plan: Enhanced features including faster response times, access to more advanced models, and increased usage limits.
- Details of pricing and features are available on our website. We reserve the right to modify our plans and pricing at any time.

5. Data and Privacy

By using BioscriptAI, you agree to the collection and use of your information as outlined in our Privacy Policy. BioscriptAI stores user chat history when logged in to enhance your experience. We do not sell or share your data with third parties without your consent, except as required by law.

6. Intellectual Property

All content and materials on BioscriptAI, including code, design, and branding, are owned by us or our licensors and are protected by intellectual property laws. You retain ownership of any code or content you input, but you grant us a license to use it to provide the Service.

7. Third-Party Services
BioscriptAI may integrate with third-party services (e.g., Google login). We are not responsible for the content or practices of these services. Your use of third-party services is subject to their terms.

8. Disclaimers
BioscriptAI is provided "as is" and "as available." We do not guarantee that the Service will be uninterrupted, error-free, or suitable for any specific purpose. Use of AI-generated code should always be reviewed and validated by a qualified person.

9. Limitation of Liability
To the maximum extent permitted by law, we shall not be liable for any indirect, incidental, special, or consequential damages resulting from your use of or inability to use the Service, including errors in code or data loss.

10. Termination
We may suspend or terminate your access to BioscriptAI at any time, with or without notice, if you violate these Terms or engage in unlawful activity. You may also discontinue use of the Service at any time.

11. Modifications to the Terms
We may update these Terms from time to time. If we make material changes, we will notify users via email or a notice on our website. Your continued use of the Service after the changes go into effect constitutes your acceptance of the updated Terms.

12. Governing Law
These Terms shall be governed by the laws of the State of California, without regard to its conflict of laws principles. Any disputes will be resolved in the courts located in the United States.
